UAT community questions

Norman Gray

Heidelberg, 2013 May 16

- why?

- who?

- how?

- how often?

- how much detail?

- how much ontological detail?

- does this model sound roughly OK to you?

- is a six-monthly schedule reasonable?

- do *you* want to be an editor?

- will *you* make suggestions?

- the thesaurus will be always up-to-date; OK?

- how many terms are required? (3e2, 3e3, 3e4, ...)?

- how will you (friends/postdocs/developers) use this?

- how do you want others to use/exploit/build on it?

- are there missing domains or vocabularies? how to include?
