

IVOA Interop
May 2019
Paris Observatory

Welcome to Paris

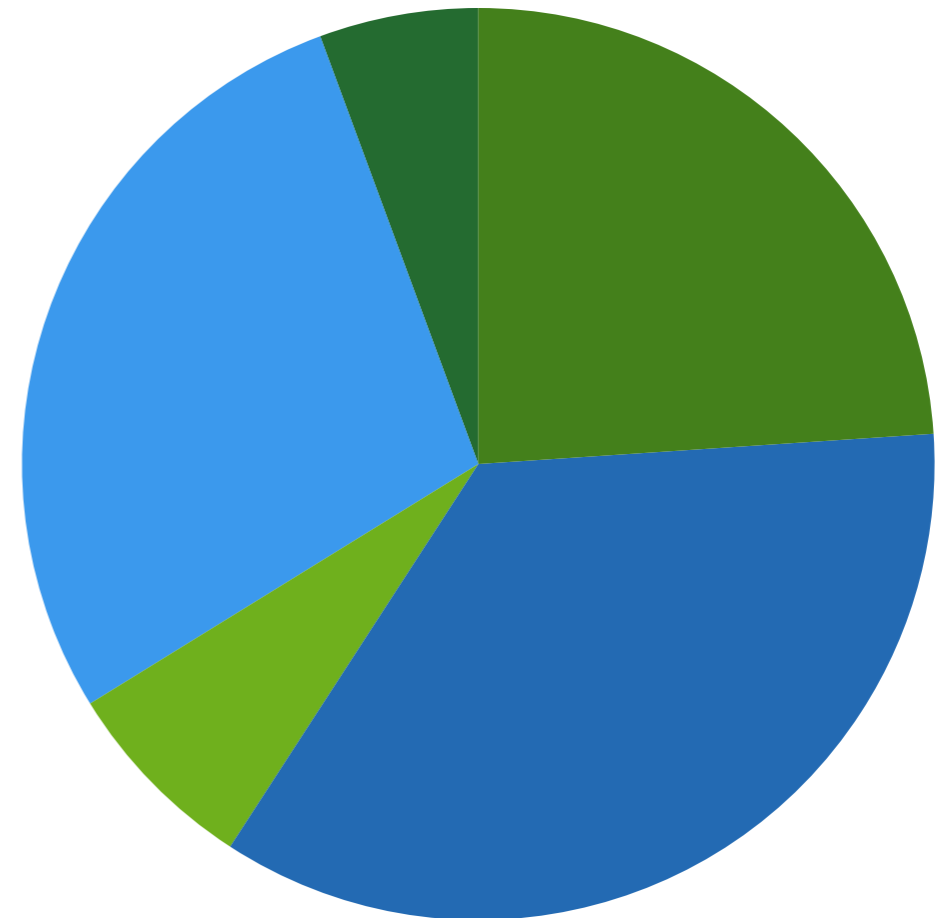

IVOA Interop May 2019

Thanks to...

-   => 1/3
-  PLANET => 1/3
-   => 1/4
-  => 1/10

- CNRS/ASOV
- CNES/IPDA
- ObsParis
- Europlanet
- PADC

- and the 126 registered participants

Local Organization

- For any issue or questions:
 - go and check with our three “**orange jacket**” boys (wifi accounts, restrooms, boarding passes...)
 - **Pierre and Baptiste**, for any other unsolved topic.
- Meeting rooms:
 - **Plenary sessions**: in this marquee
 - **Splinters**: here and in other smaller rooms, see the map distributed at registration

Internet Wifi

- If you can use your computer is configured (federated authentication through your institute):
 - **Eduroam** and **Eduspot** (edugain)NB: this option is preferable (and should be more stable)
- For others:
 - login/passwords are on the back of your badge
 - use wifi network: **observatoire-portail**
- Would you need a second one... orange jackets!

Coffee and Lunch Breaks

- Coffee breaks and lunches are served in the second marquee.
 - Morning Coffee is served at 10:30 (Mon to Fri)
 - **Lunch is also provided (and free)** at 12:30 (Mon to Thu)
 - Afternoon Coffee is served at 15:30 (Mon to Thu)
- Would you need water or anything... please ask our “orange jackets”.
- There is a wifi connexion in the second marquee.
- You can use the break marquee all day, but be kind enough to let catering and cleaning teams work in good conditions

Carbon Footprint

- **The carbon footprint of an IVOA Interop is not negligible.**
*From the list of registered participants (and their institute location), the impact of this meeting reaches 155 tons of CO₂ (travel only) for 126 participants => 1.2 ton / participant...
NB: Carbon neutral = 1.2 to 2 tons / person / year*
- **Local actions for this meeting:**
 - plenary session with teleconference (crossing fingers...)
 - sustainable catering service, with local and organic procurement, as well as reintegration program employees
 - “green Monday” (no meat), and veggie option the other days.
 - reusable, recyclable or compostable tableware
 - “ecocup” goodie (use it to reduce the waste)

Dessert 2	Salade de fruits à la fleur d'oranger	Salade de fruit à la fleur d'oranger	Fondant au chocolat	Salade de fruit à la fleur d'oranger

Restrooms

- The main building was built 350 years ago.
No restrooms at that time :-)
There are some now, but not enough for our meeting.
- We placed 6 restroom cabins in the surroundings of the two marquees (check your map).
- Need help?... orange jackets!

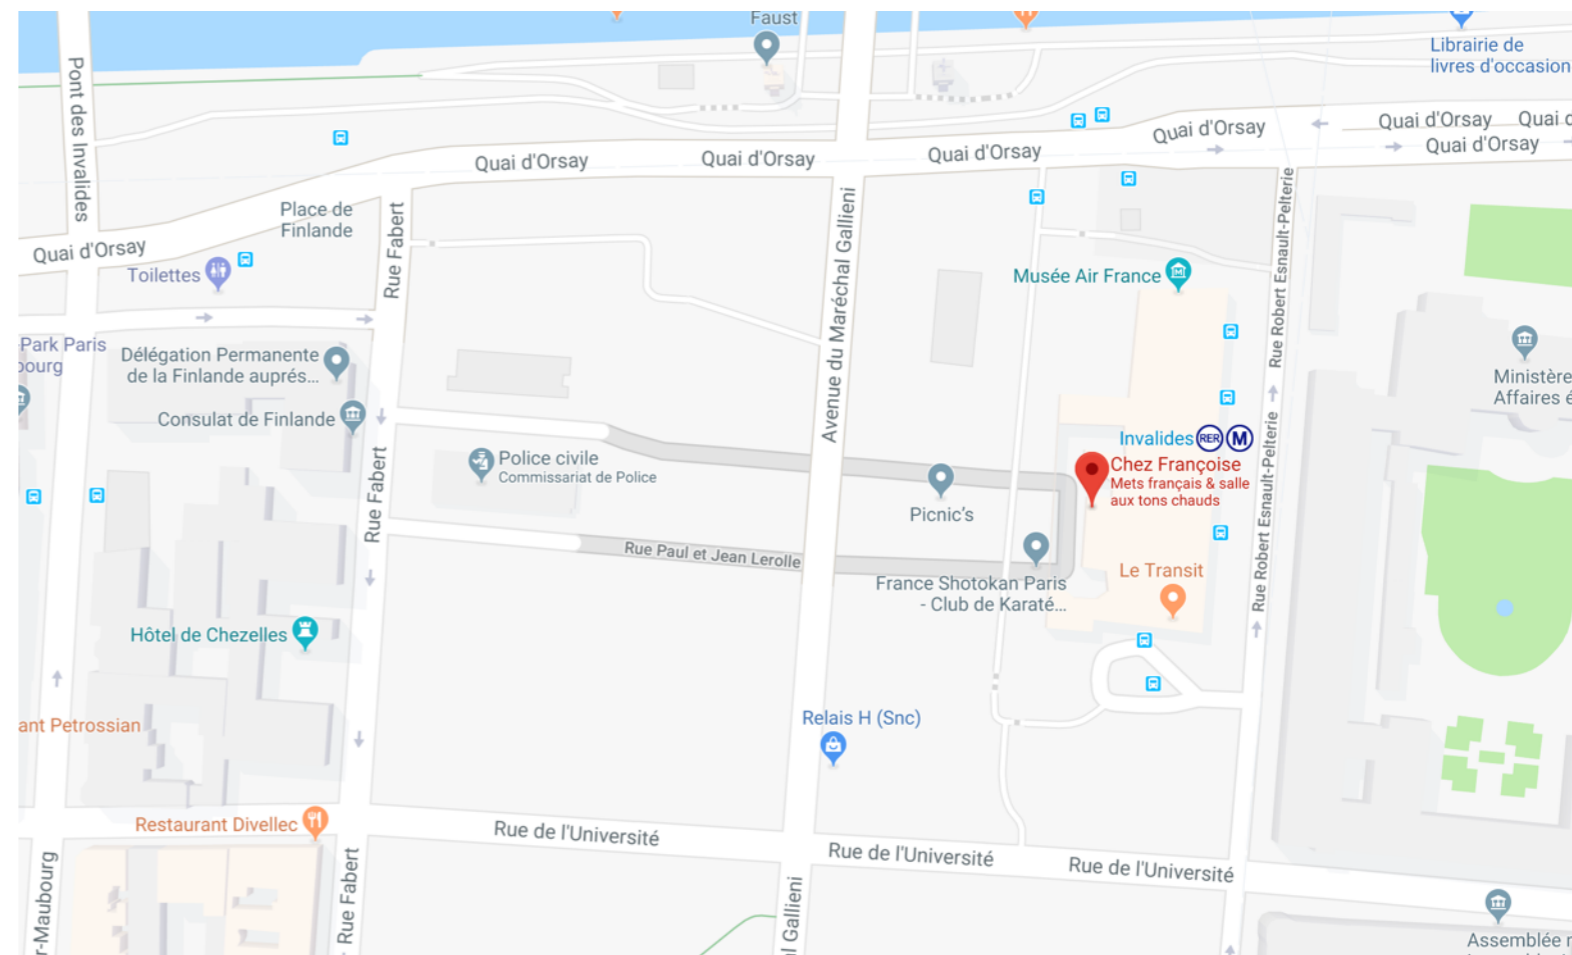

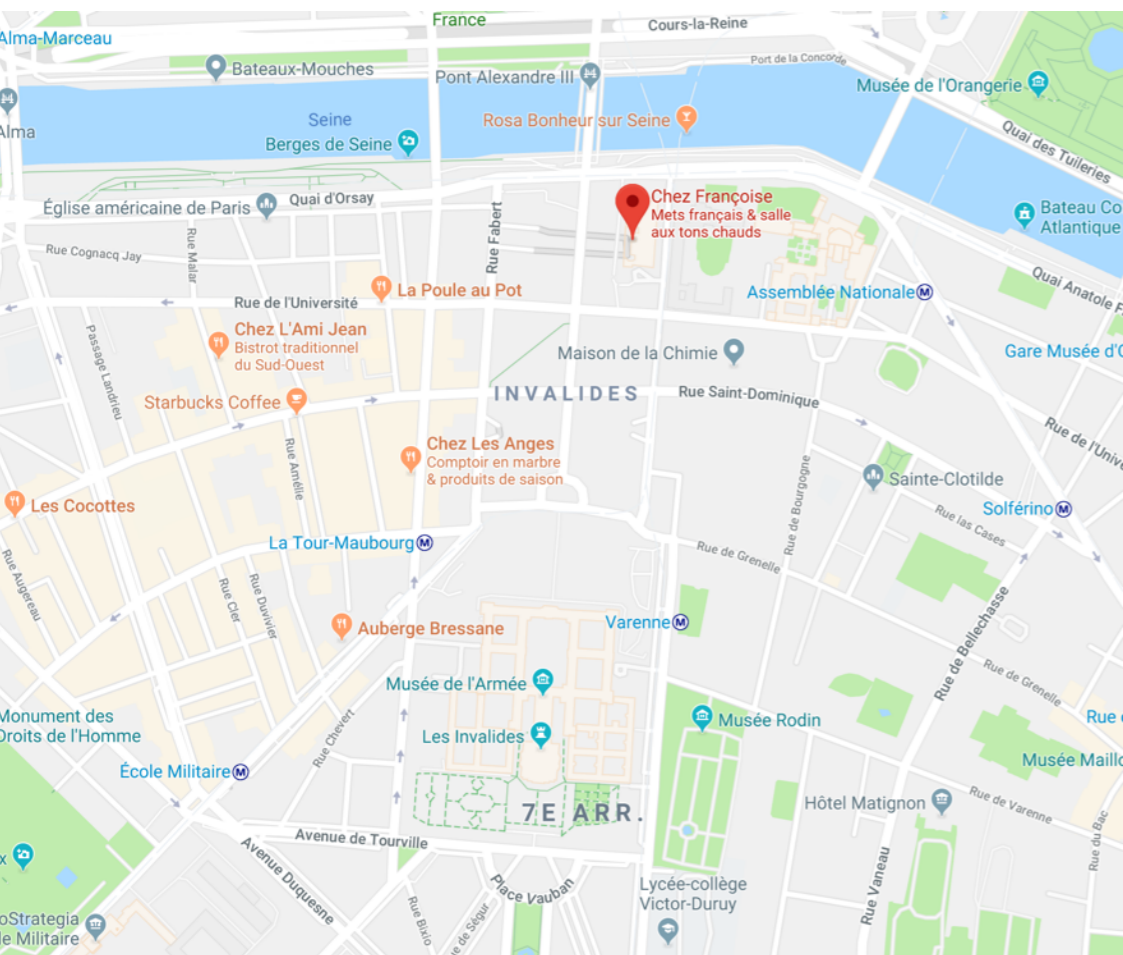

Access

- The **North Gate entrance** (61 Avenue de l'Observatoire) is reserved for the meeting, so that we don't interfere with the main entrance.
- Gate keepers will be checking your badges when go in or out. Please have your badge with you.
- Use the main gate (77 avenue Denfert Rochereau) if the North Gate is closed.

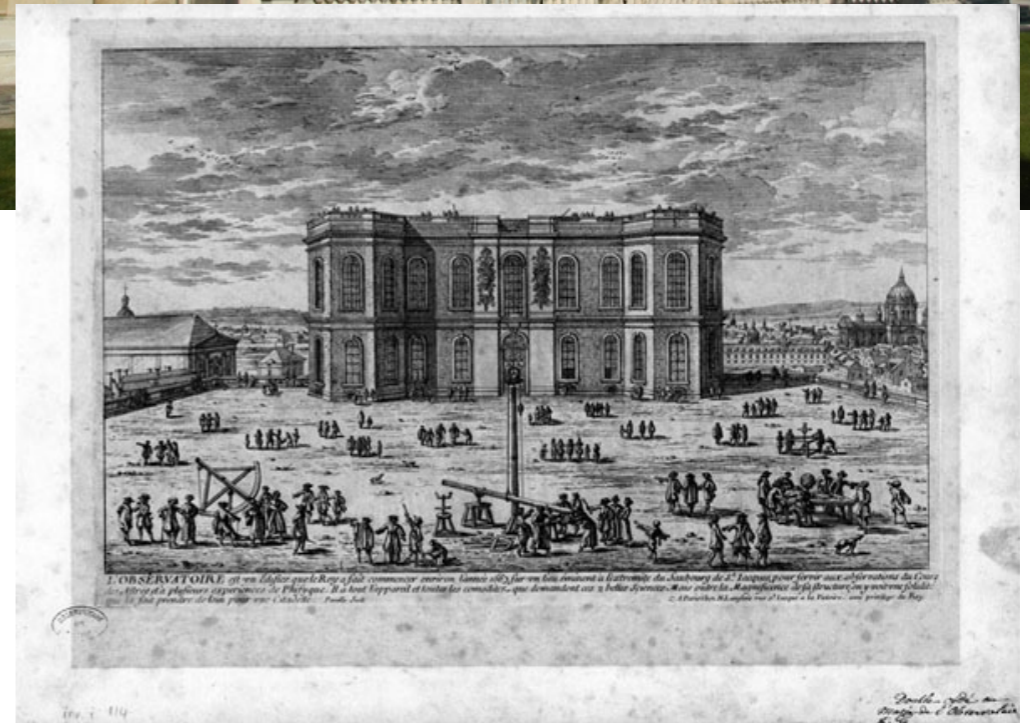

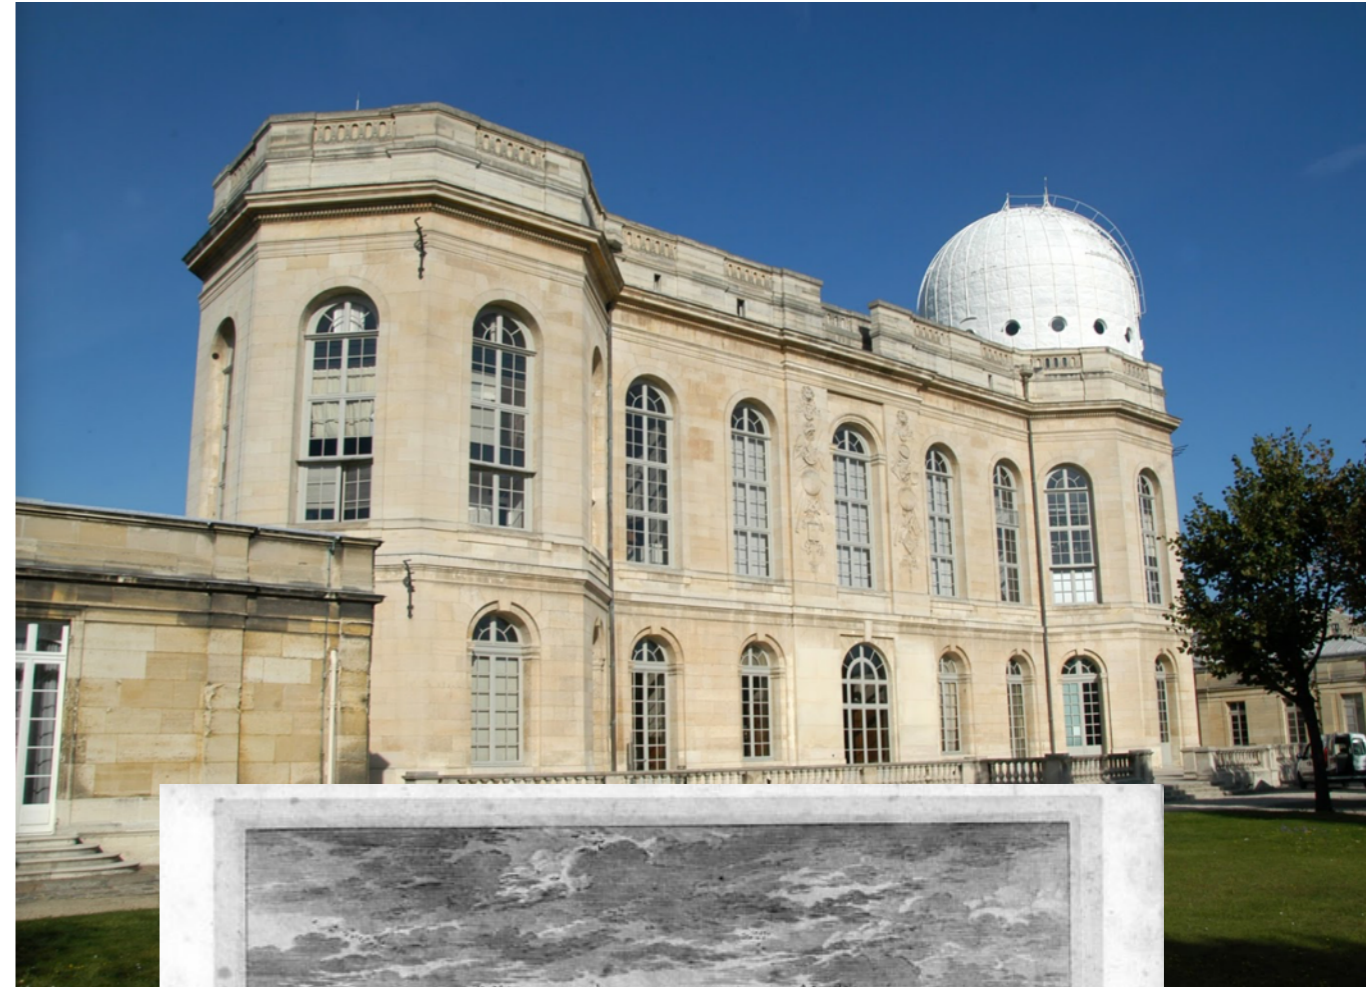

Social Dinner

- Chez Françoise, at 8pm on Wednesday.
- For those who have selected your menu items on Evento, you will get what you have chosen. For the others, we'll try our best.

Historic Tour of Bâtiment Perrault

- If registered for the tour: meeting point is at Le Verrier statue
- 3 sessions for 15 persons
- Limited availabilities...

Any Questions?
