

Theory Interest Group

(Opening session)

Carlos Rodrigo Blanco^{1,2}
Gerard Lemson³

¹CAB,INTA-CSIC

²Spanish Virtual Observatory

³Johns Hopkins University

IVOA Interoperability meeting
Sydney, May 2020

- No specific Theory IG session in this meeting.
- 2020 plans:
 - Gerard Lemson:
 - standardizing python libraries for accessing cosmological simulations files.
 - SimDAL implementation note.
 - explaining implementation details for several cases (and by different groups)
