

Abstract ID : 3

Vocabularies in Action

Content

The Vocabularies in the VO 2 spec is now in RFC. In this talk, I will discuss the various implementations mentioned on the RFC page and, if first reviews are in, items requiring additional consideration.

Preferred talk time

daytime CET

Primary author: DEMLEITNER, Markus (GAVO)

Presenter: DEMLEITNER, Markus (GAVO)

Track Classification: Semantics
