18:00 – 20:00	Opening Reception

No dedicated session at the Interop

Discussed future plans of the EduIG

Chenzhou Cui
Hendrik Heinl

Dedicated sessions will be at the next InterOp

- Themes:
 - VO-enabled Data-driven Astronomical Education and Public Outreach
 - Best practices of VO education within the VO community
- Participants outside of the IVOA community:
 - IPS guys
 - IAU DAEPO WG members
 - IAU EPO related persons
- External invited speakers:
 - Mark SubbaRao (IPS, Adler Planetarium)
 - Lars Lindberg Christensen (ESO)
 - ...

Your contributions!!!
