# IVOA High Energy Interest Group

- IVOA Exec reviewed the request for the HE Group to become an official Interest group of the IVOA at their meeting on Friday.
  - Response was positive with a request to post a HEIG Charter for their review prior to a decision. JE took an action to send it to Exec during this Interop.
- Let's see what the IVOA Closing on Sunday will bring for HEIG !!!!!
- Thank you to the CSP for today's session, Matheiu for leading the Note, to the members of HEIG for supporting this effort!!
