KDD/GWS AI in Astronomy

Saturday, November 16, 2024 14:00-15:30

- What requirements AI impose on:
 - Protocols?
 - Data Formats?
 - Execution?
- How we can adapt our standards for
 - Data quality?
 - Data provenance?
 - Reproducibility?
- Are we prepared for the new era?
- What could we do to help our future AI colleagues?

Thanks!
