# SSO

- VAO implementation, Ray Plant

# UWS

- Presentations at Naples followed by discussions via mails
- Today's presentations
  - DatascopeUWS, Andre Schaaff for Dean Hinshaw
  - Proposition of UWS 1.1, Pierre Le Sidaner
  - A new working grammar..., Carlo Maria Zwölf

# UWS(2)

- Topics
  - Which I.I version ...
    - Find a consensus ? postponed it to next interop and discussed it via mails ? etc.
    - Discussion during the next TCG telecon if no consensus ?
  - etc.

# REST

- First Working draft published
- Perhaps no time to discuss it today
- In any case, it could be discussed after this interop and changes will be presented at the next interop
