

VOUnits Proposed recommendation

Semantics Working Group , M.Louys,
S.Derriere, N. Gray , IVOA Interop Meeting , São Paulo, Oct 2012

RFC period

- ▶ RFC period : 27 August 2012 - 24 September 2012
- ▶ Revision of the document on going
 - ▶ Typos correction
 - ▶ More examples
 - ▶ Re-organisation of the document
- ▶ RFC period : TCG to start soon

How Units can be checked

- ▶ **On the fly:**
 - ▶ Provide a simple web service for unit string parsing
- ▶ **In applications**
 - ▶ Call parsing methods from a library.

Unity library parser (N. Gray)

<https://bitbucket.org/nxg/unity>

See the section 'Demo' on

<http://www.astro.gla.ac.uk/users/norman/ivoa/unity/javadocs/index.html>

simple parsing and serialisation
