Ref. Implementation 2	GAVO ObsTAP implementation at http://dc.zah.uni-heidelberg.de/__system__/tap/run/info
Ref. Implementation 3	XMM SSC ObsTAP service at http://saada.u-strasbg.fr/taphandle?url=http://xcatdb.u-strasbg.fr/2xmmidr3/tap

Recommendations to EXEC	ObsCoreDM represents the missing IVOA standards to be able to implement the ObsTAP science case. This has led to lots of discussions, meetings, teleconferences, implementations, feedbacks, … ObsCoreDM has gone through the standard RFC process, got unanimous approval from the TCG, Several reference implementations already exist. Hence the TCG recommends the Exec to approve ObsCoreDM 1.0 as an IVOA Recommendation.
